PRELIMINARY INFORMATION STATEMENT

**WE ARE NOT ASKING YOU FOR A PROXY,
AND YOU ARE REQUESTED NOT TO SEND US A PROXY.**

GENERAL INFORMATION

This information statement (“Information Statement”) is furnished to the stockholders of Propanc Biopharma, Inc., a Delaware corporation (the “Company,” “we,” “our,” or “us”) at the close of business on December 5, 2017 (the “Record Date”), in connection with action taken by our board of directors (the “Board”) and the holders of a majority in interest of our voting capital stock (the “Voting Stockholders”) to approve the Authorized Share Increase, as defined below.

On the Record Date, the Board approved and submitted for the approval of our stockholders an amendment to our Amended Certificate of Incorporation (“Certificate of Amendment”), to increase the number of authorized shares of our common stock, par value \$0.001 per share, from 100,000,000 to 400,000,000 (the “Authorized Share Increase”). Also on the Record Date, the Voting Stockholders approved the Authorized Share Increase by written consent in lieu of a meeting, in accordance with Section 228 of the Delaware General Corporation Law (the “Written Consent”). Accordingly, your consent is not required and is not being solicited in connection with the approval of the Authorized Share Increase.

The Authorized Share Increase will bring us into compliance with the share reserve requirements we are required to maintain pursuant to various securities purchase agreements we have entered into over the previous two years. This in turn should enable us to more easily engage in future financings and accomplish other corporate purposes as the Board determines in its discretion.

The Voting Stockholders consist of: (a) stockholders owning 12,258,521 shares of our issued and outstanding common stock, par value \$0.001 per share (the “Common Stock”); (b) 500,000 shares of our issued and outstanding series A preferred stock, par value \$0.01 per share (the “Series A Preferred Stock”); and (c) one share of our issued and outstanding series B preferred stock, par value \$0.01 per share (the “Series B Preferred Stock”). The Authorized Share Increase was approved by written consent in lieu of a meeting on the Record Date, in accordance with the Delaware General Corporation Law (“DGCL”). Accordingly, neither your vote nor your consent is required and neither is being solicited in connection with the approval of the Authorized Share Increase. Dissenting stockholders do not have any statutory appraisal rights as a result of the actions taken. The Board does not intend to solicit any proxies or consents from any other stockholders in connection with the Authorized Share Increase. All necessary corporate approvals have been obtained, and this Information Statement is furnished solely to advise stockholders of the action taken by written consent.

This Information Statement has been filed with the U.S. Securities and Exchange Commission (the “SEC”) and is being furnished pursuant to Section 14(c) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) to our non-voting stockholders to notify them of the Authorized Share Increase. Pursuant to Rule 14c-2 under the Exchange Act, the Authorized Share Increase will not be effective until we file the Certificate of Amendment with the Delaware Secretary of State, which will occur at least 20 days after the date on which this Information Statement has been delivered to stockholders. This Information Statement will serve as written notice to our stockholders pursuant to the DGCL.

ABOUT THE INFORMATION STATEMENT

What is the purpose of this information statement?

This Information Statement is being furnished to you pursuant to Section 14(c) of the Exchange Act to notify our stockholders as of the close of business on the Record Date of the action taken by the Voting Stockholders to effect the Authorized Share Increase.

The Voting Stockholders holding a majority of our outstanding voting capital stock have voted in favor of the Authorized Share Increase as outlined in this Information Statement, which action will be effective once we file the Certificate of Amendment with the Delaware Secretary of State, which will occur at least 20 days after the distribution of this Information Statement to stockholders.

Who is entitled to notice?

Each outstanding share of our voting securities on the close of business on the Record Date is entitled to notice of each matter voted on by the Voting Stockholders. The Voting Stockholders as of the close of business on the Record Date held the authority to cast votes in excess of 50% of our outstanding voting power and have voted in favor of the Authorized Share Increase. Under the DGCL, stockholder approval may be taken by obtaining the written consent and approval of more than 50% of the holders of voting stock in lieu of a meeting of the Company's stockholders.

What constitutes the voting shares of the Company?

The voting power entitled to vote on the Authorized Share Increase consists of the holders of our voting securities as of the Record Date. As of the Record Date, our voting securities consisted of 12,258,521 shares of Common Stock, 500,000 shares of Series A Preferred Stock and one share of our Series B Preferred Stock. Each share of Common Stock is entitled to cast one vote. Each share of Series A Preferred Stock is entitled to cast two votes. Each share of Series B Preferred Stock is entitled to cast the same number of votes as the total number of shares of Common Stock outstanding. The vote required to approve the Authorized Share Increase was the vote of the holders of a majority of our securities as of the Record Date.

What corporate matters did the Voting Stockholders vote for, and how did they vote?

Voting Stockholders holding a majority of our outstanding voting securities have voted in favor of a proposal to approve the Certificate of Amendment increasing the number of authorized shares of Common Stock from 100,000,000 to 400,000,000.

What vote is required to approve the Authorized Share Increase?

No further vote is required to approve the Authorized Share Increase.

Who is paying the cost of this Information Statement?

These forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results or performance to be materially different from the results or performance anticipated or implied by such forward-looking statements. Given these uncertainties, stockholders are cautioned not to place undue reliance on forward-looking statements. Except as specified in SEC regulations, the Company has no duty to publicly release information that updates the forward-looking statements contained in this Information Statement. An investment in the Company involves numerous risks and uncertainties, including those described elsewhere in this Information Statement. Additional risks will be disclosed from time to time in our future filings with the SEC; in this regard, we refer you to the "Risk Factors" section included in our annual report on Form 10-K for the fiscal year ended June 30, 2017.

VOTES REQUIRED AND RELATED INFORMATION

Section 228 of the DGCL generally provides that any action required or permitted to be taken at a meeting of the stockholders may be taken without a meeting upon the written consent of the holders of outstanding shares of voting capital stock, having not less than the minimum number of votes which would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Further, pursuant to the DGCL, a majority in interest of our capital stock entitled to vote thereon is required in order to approve the Authorized Share Increase. In order to eliminate the costs and management time involved in holding a special meeting, our Board determined that it was in the best interests of all of our shareholders that the Authorized Share Increase be adopted via the Written Consent and this Information Statement be delivered to all stockholders as notice thereof.

As of the Record Date, there were 12,258,521 shares of Common Stock issued and outstanding, 500,000 shares of Series A Preferred Stock issued and outstanding, and one share of Series B Preferred Stock issued and outstanding. Each share of Common Stock is entitled to one vote, each share of Series A Preferred Stock is entitled to two votes, and each share of Series B Preferred Stock is entitled to cast the same number of votes as the total number of shares of Common Stock outstanding. Accordingly, for the approval of the Authorized Share Increase, the affirmative vote of a majority of voting shares outstanding and entitled to vote at the Record Date, or 12,758,522 votes, was required for approval. The Voting Stockholders combine to account for an affirmative vote of 13,543,235 votes, which exceeds the required number of votes in favor of the Authorized Share Increase.

NO MEETING OF STOCKHOLDERS REQUIRED

We are not soliciting any votes in connection with the Authorized Share Increase. The persons that have consented to the Authorized Share Increase hold a majority of the Company's outstanding voting rights and, accordingly, such persons have sufficient voting rights to approve the Authorized Share Increase.

VOTING STOCKHOLDERS

On the Record Date, the Board unanimously adopted resolutions declaring the advisability of, and recommending that stockholders approve, the Authorized Share Increase. In connection with adopting these resolutions, the Board elected to seek the written consent of the holders of a majority of the Company's issued and outstanding shares of Common Stock in order to reduce the costs and implement the Authorized Share Increase in a timely manner.

Also on the Record Date, the following Voting Stockholders executed the Written Consent with respect to the Authorized Share Increase:

Shareholder Name	Class of Shares Held	No. of Shares	No. of Votes	% of Outstanding Votes
North Horizon Pty Ltd.	Common Stock	170,844	170,844	0.7%
	Series A Preferred Stock	500,000	1,000,000	3.9%
	Series B Preferred Stock	1	12,258,521	48%
Julian Kenyon	Common Stock	113,870	113,870	0.4%
	Total:	784,715	13,543,235	53%

Mr. James Nathanielsz, our principal executive officer and one of our directors, has voting and investment power over the shares of Common Stock and Series A Preferred Stock held by North Horizon Pty Ltd. Mr. Nathanielsz holds one share of the Company's Series B Preferred Stock in his own name. The Company is not seeking written consent from any of our other stockholders, and stockholders other than the Voting Stockholders will not be given an opportunity to vote with respect to the Authorized Share Increase.

ACTION NO. 1: AMENDMENT TO THE AMENDED CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 100,000,000 TO 400,000,000.

General

On the Record Date, the Board approved the Certificate of Amendment substantially in the form attached hereto as Appendix A, subject to shareholder approval, to effect the Authorized Share Increase. Once filed with the Delaware Secretary of State, the Certificate of Amendment will increase the number of shares of authorized Common Stock from 100,000,000 to 400,000,000. The number of authorized shares of preferred stock will remain at 1,500,005. The Voting Stockholders approved the Authorized Share Increase by written consent in lieu of a meeting on the Record Date. In addition, our Board reserves the right, notwithstanding stockholder approval and without further action by the stockholders, to elect not to proceed with the Authorized Share Increase if, at any time prior to filing the Certificate of Amendment, our Board, in its sole discretion, determines that it is no longer in our best interests and the best interests of our stockholders to proceed with the Authorized Share Increase.

Purposes of the Authorized Share Increase

The principal purpose of the Authorized Share Increase is to authorize a sufficient number of shares of Common Stock to satisfy our obligations to lenders. Pursuant to securities purchase agreements we have entered into over the previous two years, we have issued convertible notes that entitle the holders to, under the conditions described in the agreements and the notes issued thereto, convert the outstanding debt into shares of our Common Stock at a discount to market price. We are required under the agreements and notes to, among other things, maintain a reserve of shares of Common Stock that is well in excess of the number of shares of Common Stock our outstanding convertible debt may be converted into. We have recently been informed by the holders of our outstanding convertible debt that we are not currently in compliance with this share reserve requirement. We have therefore concluded that the Authorized Share Increase is necessary to bring us into full compliance with our agreements. We will also need to seek additional financing to fund the development of our product candidate PRP and will need the flexibility to issue additional shares of Common Stock.

More generally, the increase in the authorized number of shares of common stock will enable us to engage in possible future financings and accomplish other corporate purposes as the Board determines in its discretion. These corporate purposes may include future financings, acquisitions and stock options and other equity benefits.

We are currently authorized to issue 100,000,000 shares of Common Stock and have 12,258,521 shares of Common Stock outstanding. Because the conversion prices of our notes fluctuate based on the price of our Common Stock, we are not able to accurately estimate the number of shares of Common Stock our outstanding notes may be converted into in the future. However, based on the price of our Common Stock at the close of trading on the Record Date, our outstanding notes could have been converted into 56,021,809 shares of Common Stock on that date. Following the Authorized Share Increase, we will have 400,000,000 authorized shares of Common Stock and 1,500,005 authorized shares of preferred stock. We have concluded that this level of authorized shares of Common Stock will be sufficient to satisfy our immediate obligations to our lenders for the foreseeable future and enable us to continue to access the capital markets for additional financing as necessary. The relative rights and limitations of the shares of Common Stock and preferred stock will remain unchanged following the Authorized Share Increase.

Effect of the Authorized Share Increase

The Authorized Share Increase will have the immediate effect of increasing the total amount of authorized Common Stock as specified above, but will have no impact on the number of shares you own. The authorized shares of Common Stock may be issued without stockholder approval at any time, in the sole discretion of the Board. The authorized and unissued shares may be issued for cash, to satisfy outstanding indebtedness, to acquire property or for any other purpose that is deemed in the best interests of the Company. Any decision to issue additional shares will reduce the percentage of our stockholders' equity held by our current stockholders and could dilute our net tangible book value. Other than to satisfy conversions of our outstanding indebtedness, we have no immediate plans, proposals or arrangements, written or otherwise, to issue the newly authorized shares of Common Stock resulting from the Authorized Share Increase.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table provides information, as of the Record Date, concerning beneficial ownership of our capital stock held by (1) each person or entity known by us to beneficially own more than 5% of any class of our voting securities, (2) each of our directors, (3) each of our named executive officers, and (4) all of our current directors and executive officers as a group. Beneficial ownership is determined under the rules of the SEC and generally includes voting or investment power with respect to securities. Percentage ownership is specified if greater than 1%. The address for our officers and directors is 302, 6 Butler Street Camberwell, VIC, 3124 Australia.

(3) Includes 170,844 shares of Common Stock held and 190,666 shares of Common Stock issuable under stock options currently exercisable or exercisable within 60 days of the Record Date. North Horizon Pty Ltd. is a Nathanielsz Family Trust. Mr. James Nathanielsz, a director and principal executive officer of the Company, has voting and investment power over these shares.

The address for Delafield is 40 Wall Street, 58th Floor, New York, NY 10005. Magna Gibraltar, a Delaware limited liability company, is a partial owner of Delafield and, through representation on the board of directors of Delafield, controls Delafield. Pursuant to a shareholders agreement relating to the ownership of Delafield, the board of directors of Delafield, acting by majority vote, has sole power to vote or to direct the vote and sole power to dispose or to direct the disposition of all securities owned directly by Delafield, including, without limitation, the Common Stock issuable upon conversion of the debentures and the exercise of the warrant. The board of directors of Delafield consists of three individuals, two of which are appointed by Magna Gibraltar. The two directors appointed by Magna Gibraltar are Joshua Sason and Michael Abitebol.

(6) With the inclusion of the shares issuable upon conversion of the debenture and the note and the shares underlying the warrant, Delafield could be deemed, for purposes of this table, to beneficially own 45% of the Common Stock; however, the debenture, the note and the warrant each contain provisions limiting Delafield's beneficial ownership to 4.99% of our Common Stock.

(7) Represents 251,510 shares held by Eagle Equities, LLC ("Eagle") as of the Record Date and also includes shares issuable upon conversion of the convertible notes payable, based on a conversion price of \$0.05 as of that date. The address for Eagle is 525 Norton Parkway, New Haven, CT 06511.

(10) With the inclusion of the shares issuable upon conversion of the convertible notes payable, Regal could be deemed, for purposes of this table, to beneficially own 44% of the Common Stock, however, the convertible notes each contain provisions limiting Regal's beneficial ownership to 4.99% of our Common Stock.

(11) Represents 372,799 shares held by GS Capital Partners, LLC ("GS Capital") as of the Record Date and also includes shares issuable upon conversion of the convertible notes payable, based on a conversion price of \$0.06 as of that date. The address for GS Capital is 110 Wall Street, 3rd Floor, Suite 5-070, New York, NY 10005.

(12) With the inclusion of the shares issuable upon conversion of the convertible notes payable, Regal could be deemed, for purposes of this table, to beneficially own 33% of the Common Stock, however, the convertible notes each contain provisions limiting GS Capital's beneficial ownership to 4.99% of our Common Stock and such ownership limitation prevents GS Capital from acquiring beneficial ownership of more than five percent of the Common Stock.
