Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On October 23, 2026, Propanc Biopharma, Inc. (the "Company") received a written notice (the "Notice") from the Listing Qualifications Department of The Nasdaq Stock Market ("Nasdaq") indicating that the Company is not in compliance with the $1.00 minimum bid price requirement set forth in Nasdaq Listing Rule 5550(a)(2) for continued listing on The Nasdaq Capital Market (the "Bid Price Requirement"). The Nasdaq Listing Rules require listed securities to maintain a minimum bid price of $1.00 per share, and, based upon the closing bid price of the Company's common stock for the 30 consecutive business days prior to October 21, 2026, the Company no longer met this requirement. Normally, a company would be afforded a 180-calendar day period to demonstrate compliance with the Bid Price Requirement. However, pursuant to Listing Rule 5810(c)(3)(A)(iv), the Company is not eligible for any compliance period specified in Rule 5810(c)(3)(A) due to the fact that the Company had previously effected a reverse stock split over the prior one-year period. The Notice states that the Company's securities will be delisted from The Nasdaq Capital Market on November 2, 2026, unless the Company requests an appeal of this determination to a hearings panel (the "Panel") by October 30, 2026. The Notice states that requesting an appeal will stay the delisting and the Company's securities will remain on The Nasdaq Capital Markets until the Panel's decision. The Company intends to request this appeal by the October 30, 2026 deadline as the Company believes it has cured the Bid Price Requirement deficiency subsequent to the receipt and date of the Notice.

The Company's receipt of the Notice does not affect the Company's business, operations or reporting requirements with the Securities and Exchange Commission. If the Company's common stock ultimately were to be delisted for any reason, it could negatively impact the Company by (i) reducing the liquidity and market price of the Company's common stock; (ii) reducing the number of investors willing to hold or acquire the Company's common stock, which could negatively impact the Company's ability to raise equity financing; (iii) limiting the Company's ability to use a registration statement to offer and sell freely tradable securities, thereby preventing the Company from accessing the public capital markets; and (iv) impairing the Company's ability to provide equity incentives to its employees.

Disclosure Regarding Forward-Looking Information

This Current Report on Form 8-K contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking

statements include, but are not limited to, statements regarding the Company's beliefs and expectations relating to the Company's common stock closing bid price, regaining compliance with the Bid Price Requirement, and whether the Company's common stock will remain listed on Nasdaq. These forward-looking statements are based on the current beliefs and expectations of the Company's management with respect to future events, only speak as of the date that they are made and are subject to significant risks and uncertainties. Actual results could differ significantly from those set forth in the forward-looking statements.

Important factors that may cause actual results to differ materially from those in the forward-looking statements include, but are not limited to, a material delay in the Company's financial reporting, the possibility that the Company is unable to regain compliance with, or thereafter continue to comply with, Nasdaq's listing rules, or experience violations of additional listing rules, the possibility that Nasdaq may deny the Company's pending appeal and delist the Company's securities and other factors contained in the "Risk Factors" section and elsewhere in the Company's filings with the SEC from time to time, including, but not limited to, its Annual Report on Form 10-K and its Quarterly Reports on Form 10-Q. The Company does not undertake to update any forward-looking statements to reflect changed assumptions, the impact of circumstances or events that may arise after the date of the forward-looking statements, or other changes over time, except as required by law.
